

Date: 4.2.15	Agenda:	Discussion and Decisions:
Names of Councillors Present: <b>Year 3</b> <b>Maple</b> Ella Lily <b>Lime:</b> Zino Caden <b>Year 4</b> <b>Birch:</b> Brooke Pheobe <b>Oak:</b> Thomas Sylvie <b>Year 5</b> <b>Beech</b> Emily Kai <b>Alder</b> Noah Alex <b>Year 6</b> <b>Chestnut</b> Krystal Sophie <b>Willow</b> James Danielle	Energy 360	<p>How can we save money in school?  What will this mean for our planet?  What do we currently spend on electricity? <b>£6, 280</b>  How much does it cost to light a light bulb in a class for 1 hour? <b>Approx. 1.5p per bulb per hour.</b> <b>Lights in some areas go on at 5am and go off at 6pm</b>  How can we find out/ advise others which equipment can be turned off safely?  How can we promote this across school? Competitions etc?  How can we ask pupils for their opinions on this? <b>Competitions</b>  What and how should we display our thinking / ideas on this matter? (3d pictures of items we can turn off)  Mr Harrison to help us represent our savings and what the money could help us improve using graphs / pie charts etc...  Eco award? <ul style="list-style-type: none"> <li>• <b><i>It was decided that that we should have some energy champions: Zino, Lily-Violet, Pheobe, Emily, Danielle, Sophie</i></b></li> <li>• <b><i>These children will monitor lights on / off throughout the school during playtimes and lunchtimes. They will then report back and the most energy efficient classroom will win a certificate in celebration assembly. Learning councillors to design this certificate by 6.2.15.</i></b></li> <li>• <b><i>To involve the whole school in our energy saving campaign, it was decided to launch a Let's save energy poster competition for all children to complete by Fri 13<sup>th</sup> February. This will be launched during assembly this week... Winning entries will be displayed throughout school / on website...</i></b></li> <li>• <b><i>Children also believed it would be exciting to have an energy day; invite in people from southern electric / gas / Portsmouth water. Learn about renewable sources etc.. Mrs Goodwin to discuss at SLT</i></b></li> <li>• <b><i>Mr Brum will provide learning council with monthly electricity meter reading to compare and build on our display board. He will also take a photo of energy hub in school!!</i></b></li> </ul> </p>

<b>Apologies for councillors absent:</b> All present	Safety	Are pupils helped to keep themselves safe? Are pupils encouraged to adopt safe and responsible practices and deal sensibly with risk? Do pupils feel safe in school and free from harassment? Do pupils understand issues relating to safeguarding e.g. bullying, recognising when pressure from others threatens their personal safety and well being and how to develop ways of resisting pressure? Safety was discussed. <b><i>Children are not necessarily realising that we are teaching them how to be safe when we are providing them with opportunities like bikeability, JRSO training / assemblies / fire drills / safety / antibullying days. Mrs Goodwin will feedback to all staff and SLT to advise them that this needs to be made explicit at the start of such experiences.</i></b>
	Development of our Grounds Trim trail	<b><i>Money raised at Star gazing night... totalled £160.00 towards our trim trail Pyjama and teddy day / Woofability raised a staggering £305.00 Andy from woofability to attend a celebration assembly – Mrs Adams is arranging a date. Mrs Goodwin has spoken with Mr Brum about a scoring football shoot out board which can be used to boost goal accuracy and mental addition (to score). He has asked that I write this request in his maintenance book as a project to consider / begin</i></b> A cake sale was voted for the Summer term (trim trail funds)
	Development of Sensory Garden	<b><i>Mr Brum has confirmed that he would provide a scale drawing / map of the sensory garden so the school councillors can design their ideal outdoor learning classroom over half term</i></b> They will then decide on common areas they would like and create a model together to show the show school. The school community will then add to or vote for areas required.
	Food – Snack Changes	<b><i>Councillors advised that school kitchen is no longer buying any chocolate milk. School councillors asked to create a monitoring chart for healthy eating by half term.</i></b> Once received...a golden apple award will be presented at the end of each week
	Bored No More	<b><i>Children wanted to know how they could get some new equipment ie football goals and nets. Mrs Goodwin to speak with Mrs Westbrook re budget / stock check of Bored no More resources.</i></b>
