Teachers to get classes ideas together, SLC to design the final three.</p>
	<p>Reading challenge</p>	<p>Year 6 buddy readers – helping children do their reading challenge.            Less activities, make your own activities to do, create your own activity about what you enjoy when reading, do more things that involve going out and doing reading (how could you record that? –write it down, tally chart, taking pictures, videos), take two books home and compare them.            Two homework books – one for spellings and one for reading. Separate reading diary with the challenges to do (pick your own – like the spelling challenges)            Evidence still to be in the books.            Everybody to bring ideas from classes to the next SLC meeting. Invite Miss R to next meeting.</p>
	<p>Hayling Schools Together</p>	<p>Amber, Chloe and Dan to feedback to rest of school council:            We want it to be child run – no more adults running the meeting! ]            Ideas we had in the meeting – disco, sports competitions, art exhibition.</p>
	<p>Any other business (messages from class)</p>	<p>Oak class – Lily-Sue wants a book group for sharing books – pass onto pupil librarians.            Library day where the children swap their books. Millie – Cheerleading club on Fridays – talk to Mrs Simac. Lily-Sue would like to do a sponsored walk for an environmental charity.            Year 6 - Kayleigh – no work on Wednesdays and more exciting activities in ‘Bored no more’ – we are finding it boring! Don’t have enough equipment – the equipment is not being used and it is in the PE shed.            Year 5 – we want more school trips. Party every non-school uniform day.             Charities for next term? 1 per year group? Money raising competition?</p>
