

<b>Date: 1/3/17</b>	<b>Agenda:</b>	<b>Discussion and Decisions:</b>
<p><b>Councillors present</b>  <u>Year 3</u>                      Mutsa                      Bella                      Archie  <u>Year 4</u>                      Anna                      Nancy                      Harrison  <u>Year 5</u>                      Molly                      Charlie L                      Charlie K                      Millie</p> <p><b>Minutes taken by:</b>                      Miss Slade</p> <p><b>Chair:</b>                      Violet Simms</p>	<p>What has been going on at school?</p>	<p>Molly – on the puddles on top of the sandpit we have found some frogspawn. We have collected some into a tray and someone is going to bring in a tank. We will keep them outside in the tank and tadpole monitors are going to look after them.                      Archie – lots of learning has been going on at school!                      Year 5 have been to Fort Purbrook!                      Year 6 have been to Paulton’s Park!                      We are building up to World Book Day (tomorrow)</p>
	<p>Thank you card for HC3S for pancake day</p>	<p>We all made pancakes with HC3S yesterday! (Shrove Tuesday)                      Mrs Bolton has some cards – children to design this today during meeting:                      Year 3 school councillors.</p>
	<p>Wet play games</p>	<p>School Councillors responsible for auditing their own class – get wet play games boxes and bring to music room to sort.                      Organise new games and books so that classes have a fair share .                      Each year group has decided which class will hold the wet play games.                      Old wet play games have been thrown away and the rest have been sorted neatly in the boxes.</p>
	<p>Accident book</p>	<p>Mrs Adams to provide accident book and SLC to tally up accidents (each week and year group).                      Feedback findings to rest of school in lower/upper school assemblies.</p>
	<p>Lunch box guide and poster + healthy eating event</p>	<p>Introduce resources from Change 4 Life and think about how we can use these.                      Gather ideas for posters and guide for parents/letter.                      Could this link into an event to promote healthy eating across the school?</p>

	Living Streets: badge competition data entry during afternoon register	See poster (Miss Slade) Who should we invite to enter? The whole school How many will we send off? They should send them off themselves Who shall be responsible for collecting the data during register and how? (iPAD app?)
	Just Dress Different day	See leaflet. We are keen to support this as it is a local charity and not very well known so they will need the support. We could potentially raise £200 if all children took part! This goes towards being able to fund a workshop for people who need it.
	Beep Beep! Day – Weds 10 <sup>th</sup> May	See copy of email. Charlie (JRSO) and the rest of the SLC agree that Beep Beep! Day would be a great opportunity to work towards our gold MODESHIFT star and learn more about slowing the roads down.
	Just Joshing Anti-Bullying production	See leaflet. This is expensive – we aren't sure if it is needed – Miss Slade will talk to ambassadors.
	Governor report (9 <sup>th</sup> March)	Who will present? What will they present? World Book Day (talk about successes), made pancakes, sorted the wet play games, events coming up in the future
