09th October 2020

Dear Parents and Carers,

Your child will be bringing home a bundle of books today that we have purchased from a company called CGP. The books cover the majority of the objectives that we will be teaching in school over the next year. These books are for the children to keep and use when they like but also could be useful in one of the following situations:

- *Should they need to take a precautionary Covid-19 test and wait for the results.
- *If they are required to self-isolate, for instance if contacted by 'Track and Trace'.
- *As an additional resource in the event of a partial or full school closure.
- *If they are struggling with something at school and want some additional practice at home.
- *Or... just to challenge themselves with a bit of extra practice.

Please be assured, we have not been told of any planned school closures. These books have been purchased as we think there are a range of circumstances in which they could be useful.

In the event of a partial or full closure, we have a remote learning plan that builds on the provision provided before the summer. The plan uses a range of online resources, the CGP books are an extra that some families might find useful in this circumstance.

Enjoy the shiny, new books!

Best wishes,

Edward Harrison and Odele Davies
Co-Headteachers

At Mengham Junior School we aspire to be Successful learners, Healthy and Confident individuals,
Responsible members of our community
