9th October 2020

Dear Year 3 Parents and Carers

Starting next week, (Monday 12th October) year 3 drop off and pick up will be 10 minutes later.

Year 3 Drop off: 8.40 Pick up: 3.10

We are making this adjustment to reduce the wait time for some parents with children in multiple year groups and reduce the total arrival and departure times for the school.

This will mean that year 3 and 5 times are the same. With their arrival and departure points being on different playgrounds, combined with the one way system, we believe this will still work well. If you have children in both year 3 and year 5, and are struggling to make arrangements, then please speak to us and we will look to accommodate your needs.

Thank you for your support so far in following the procedures in place currently, especially in following the one-way system even when it appears quiet. This has prevented a lot of unnecessary crossovers at pinch points that might make people feel uncomfortable.

We have been really impressed with how well year 3 have settled into the start of the year. Thank you for your hard work and support in making this happen.

Best wishes,

Edward Harrison and Odele Davies
Co-Headteachers

Mengham Infant School have a drop off and pick up window of 15 minutes. We believe this still gives enough time to make the journey. Please speak to us if the timings are too tight and we will come to an arrangement.
