Dear Parent/Carer

Year 6 Paulton's Park Science Trip

As part of our Science Topic this Spring, we plan to take the children to Paulton's Park in order to inspire the children's thinking and develop their understanding of how science is involved in making fairground rides work.

The day will consist of a 2 hour workshop, led by members of the educational team. This will be based on the science topics of forces, materials and electricity. The afternoon will be spent viewing, photographing (and experiencing!) rides.

The trip will take place on **Friday 1st March for Willow class** and **Monday 4th March for Chestnut class**.

We will be travelling by school minibus leaving school at **9 a.m.**, so please ensure your child is in school on time. To make the most of the experience we are intending to return to school by **5 p.m.**

The children will need to be prepared for an outdoor trip and wrap up warmly. They will need sensible walking shoes, a rucksack to carry their packed lunch, a full bottle of water to drink during the day and a separate drink for lunchtime. The children can wear jeans and tracksuit trousers, but they will need to wear their Mengham Sweatshirt or Sweatcardi. **Please ensure your child has a coat, waterproof if possible.**

Please provide **a packed lunch including a drink** (no bottles or cans please) or order a picnic lunch from the school kitchen at a cost of £2.30 (unless you qualify for free school meals). **It is important that you indicate on the reply slip if you would like a school picnic (note that no drink is provided in the school picnic).**

The cost for this trip will be **£12.70**. This is to cover the cost of entrance to the park, the workshop and fuel for the minibuses.

Please complete and return the attached permission slip together with your donation, in a sealed envelope marked '**Paulton's Park**' to the **School Office before Thursday 14th February**, signifying your consent.

Yours sincerely,

Miss Rowsell, Miss Slade and Mrs Buchanan
