Dear Parents and Carers

Most up-to-date weather warnings indicate that schools should be okay to open tomorrow morning but that heavy snow showers later on may require an early closure.

It is our plan to open the school in the morning and we will endeavour to stay open as long as possible. However, if conditions worsen during the day we may take the decision to close early. In this instance, a text message will be sent to all parents asking you to pick your child up at the earliest opportunity and giving you a time that school will be closing. We will also put a notice on the school website.

We appreciate that it may be difficult for some parents to get to school quickly due to work and other commitments so if you need to make arrangements for someone else to pick up your child on your behalf, we would ask that you contact the school to let the office know.

Please be reminded that World Book Day will be postponed until further notice and therefore costumes should not be worn. Instead, we would like to request that children come in school uniform but with lots of layers so that we can get outside and enjoy the snow if possible! A change of shoes is also requested.

Whilst we plan to open tomorrow, if conditions change overnight we may still decide to close the school for the whole day. If this is the case, then you will receive a text message by 7:30am.

We really appreciate your support.

Best Wishes

Odele Davies and Edward Harrison
