

Woofability

On Thursday 26th February 2015, Mengham Junior Learning Council were honoured to be able to present a cheque for £304.84 to Andy and Bubba who drove all the way from the Woofability charity headquarters in Bournemouth to accept our fabulous donations. Andy explained that this money would almost be enough to buy a Golden Retriever puppy which are the types of dogs this wonderful charity buys and trains to aid disabled people all over the country. We learnt that Willow (the dog who visited us previously) is being bred for the first time so the charity can reduce its outgoing costs and therefore spend more money on training these fantastic four legged friends. We have even been promised a visit from some pups in the future! Many thanks and well done for all your support in donating £1 for the pyjama day and loose coppers to fill up our dog template.

Washing – no problem!

Moral and Social:

It is good to help others less fortunate than ourselves.
