Newsletter No. 11

Dear Parents and Carers,

Welcome back after what we hope was a relaxing two weeks for you all. This summer term is packed with lots of exciting learning and extra-curricular activities. Please keep an eye on the 'Dates for your Diary' section of the newsletter and the website for any updates.

Year group curriculum letters have been sent home this week. These will tell you the areas of curriculum being covered this term in order to support conversations at home about your child's learning.

As always, please get in touch through the school office if you have any questions or queries.

Best wishes,

Mr Harrison and Mrs Davies

Nuts

Please can we remind you that we are a nut free school. We do have children with nut allergies and so it is vital that food items containing nuts are not brought into school. Please check the ingredients lists for **any** nuts highlighted in bold – not just peanuts.

Thank you for your co-operation with this.

DT Challenge Day

On Tuesday 26th March, the children took part in DT day where they were tasked with designing something that stops an egg breaking when it is dropped from a height. Together in groups of four, the children had to plan, design, create and evaluate their product. The teams were given a budget of £10 and were sent to the

'shop' in the hall to buy resources in order to create their product. The winning design from each year group was then brought to the hall to compete

against the other year groups. The children all worked incredibly hard and had a

fantastic time – especially when it came to dropping the eggs from a significant height!

Attendance Matters

As a parent, it can be difficult to know when to send your child into school if they are feeling

unwell or mildly anxious. Finding solutions is a team effort between the school, parents and the children, so please pop into the office and ask to see Mrs. Sharratt if you have any concerns or questions.

Hayling Island Fire Station

As part of their open day on Saturday 11th May, Hayling Island Fire Station are running a colouring-in competition for the Islands' Infant and junior schools. Hayling Island Fire Station will select a winner from each school to go to the station. The winner will have a picture taken with the station crew, fire engines and receive a prize.

Please collect your colouring sheet from the school office to enter the competition.

Giant Easter Egg

The luckily winner of Havant Rotary Clubs Giant Easter Egg was Maisie Wheeler. As you can imagine, she was very eggcited to win!

Headteacher Awards

Lewis Gaudie
Lola Karunwi
Molly Newland
Harry Isaac

Harriet Collins
Nola Lowler-Smith
Eric Kerrin

Well Done!
