Newsletter No. 6

5th December 2022

Dear Parents and Carers,

As we move into more frequent cold and wet weather, may we urge you to ensure children are brining coats (and gloves, hats and scarves if wanted) to school. Whilst it may not be raining on the journey to school, as we know it can change very quickly and children will require coats at play and lunch time.

Last week was the last of our class assemblies for this term – thank you to all parents and carers who were able to come along and share in their children's learning for the Autumn term.

Keep your eyes out in the first week back of January for next term's curriculum letters including details of your child's class assemblies for the spring term.

Best wishes,

Mr Harrison and Mrs Davies

Year 3 Sleepover

The children had so much fun at the sleepover & were all very well behaved. A big thank you to all of the teachers that made it possible.

'My favourite part was hide & seek, it was really fun! The funniest moment was when we were jumping on our beds & I fell off onto Isabella!'

Lexi Padmore.

Change of Lunchtime Arrangements

You may have heard the children mentioning a change to lunchtime arrangements. We have now reverted back to a previous lunch structure:

Lower school eat between 12pm and 12:30pm then have half an hour play and upper school play first then eat between 12:30pm and 1pm.

It's Beginning to look a lot like Christmas!

Thank you to our school elf for making the school look so festive this week! We hope that the lights and music outside bring you a little festive cheer each day – they have certainly brought smiles and excitement to the children's (and staff's) faces!

Governors Corner

We have a vacancy for a parent governor which we need to fill as soon as possible. Mengham Junior School has always aimed for a partnership with parents which undoubtedly brings great benefits to the children. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor. The governing body's main tasks are to support the school, ensure that pupils receive high quality education and plan for future development and improvement.

If you feel you are such a person please contact the school office.

At Mengham Junior School we strive to be successful learners, healthy and confident individuals,
responsible members of our community

The Big Match @ Havant Hockey Club

Monday 21st November.

A massive well done to the Mengham Hockey club team who achieved Bronze Medal position. A 1-0 win over Southbourne Juniors was their high point with Rose Ireland scoring the winning goal under floodlights at Havant College.

When interviewed on BBC News she said 'I would like to dedicate my goal to the rest of the team and the England Coach, Jon Keynes' 😊

Mengham were 1 of 8 teams competing on the AstroTurf and the Havant hockey club Scouts were well impressed with the performances.

So where to next time? Maybe silver or even gold and the Community trophy?

Is my child well enough to come to school?

New guidance has been published by the NHS at <https://what0-18.nhs.uk/parentscarers/worried-your-child-unwell/child-unwell-ok-go-nurseryschool>
