If your behaviour for learning is not positive:

2nd Warning – Another reminder and told what the consequences will be if you continue.

If you do not take any notice of the warnings:

You will be asked to spend 3 minutes in the calm zone.

An adult will speak with you after 3 minutes. If you are not calm and ready to return to class, then you may need to stay for another 3 minutes. (Learning missed will be caught up in your own time).

Work will need to be caught up on at break, lunch or at home.

At break or lunch, you may be asked to sit out of an activity for a period of time or sit inside your classroom.

If you refuse to accept the consequences:

If our actions prevent others from learning or upset those around us then we have consequences to help us make better decisions in future.
