

## **Sustainability Team – Minutes 8.1.26**

### **Present:**

- Child representatives from each class (sustainability champions)
- Mr Druvari (caretaker)
- Mrs Wisdom (curriculum lead and sustainability lead)

### **Discussions:**

- Recapped Climate Action Plan and whole school responsibilities to reduce carbon emissions and energy usage
- Mr Druvari shared the school's EPC rating and compared it to previous years
- Mr Druvari shared the school's latest energy readings over the course of the last year and we discussed ways in which to improve these readings and decrease the school's overall energy usage

### **Next Steps:**

- Mr Druvari to continue to place more bat and bird boxes around the school to encourage wildlife and then share with the sustainability team
- Sustainability champions to carry out a litter pick before the end of this half term
- Sustainability team to remind pupils and teachers about saving energy techniques such as turning off lights and IWB
- Sustainability team to reinforce the need to recycle and check correct disposal of waste in classroom e.g. paper in recycling bin
