Parent's Guide to Renaissance Home Connect

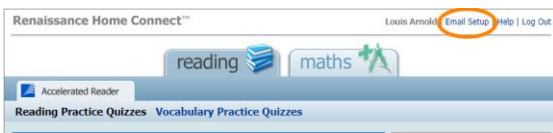

Renaissance Home Connect is a tool that connects the school and home to keep parents informed of their child's progress in Accelerated Reader and encourages the child to practice reading at home.

Accelerated Reader Progress

Accelerated Reader progress includes average percentage correct on quizzes, number of points earned and results on the last quiz.

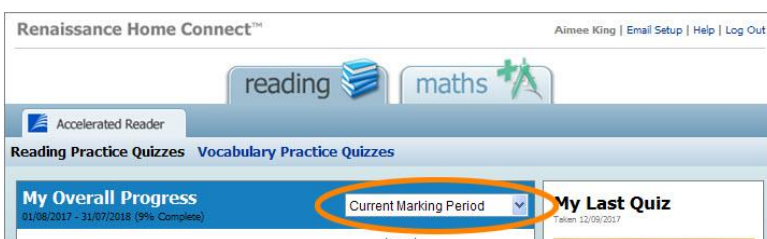

You have the option to receive email notifications at home or at work when your child has completed an Accelerated Reader quiz.

The screenshot shows the 'Email Setup' form in Renaissance Home Connect. The form is titled 'Email Setup' and 'Share Results and Progress'. It contains the following fields and options:

- First Name:** A text input field with a note: 'First Name may be shared with your teacher.'
- Email:** A text input field.
- Retype Email:** A text input field.
- Add:** A button to submit the form. A note below it says: 'An invitation email will be sent to this person when you click Add. They will need to respond and accept before more emails will be sent.'
- Done:** A button at the top and bottom of the form.

Your child's progress toward reading targets can be monitored by either marking period or school year by using the drop-down menu.

The bookshelf enables you and your child to see all the books the child has read. By clicking on a book cover, you can get details on the book such as ATOS book level, word count, points and more.

You do not need a Keyword.

You can search for book titles based on authors, topics or titles of books. Just type what you want to search for in the blank field above and click Search. You will then be able to sort your search results, select book titles to add to your AR BookBag, print a list of your search results or start a new search.
